* **DEDICATION** *

Last year he came to us from Sullivan South where he served as assistant band director. He holds a B.S. degree in music from E.T.S.U. and is a five year Navy veteran. Through his many activities he has shown an endless dedication to "his kids". He has worked extremely hard for his students and has done a remarkable job bringing the band to the point it is now. With much love and respect we dedicate the 1989 Blue Devil to Mr. Jerry Templeton. We salute you for a job well done!

GRADUATION

Remember back in first grade,
We thought we were so old,
The day we had show-n-tell,
And we brought some "fool's gold".

Remember a few years later
We thought we were divine,
We teased the "first grade babies,"
At the ripe old age of nine.

Remember back in sixth grade,
We looked at him with a sigh
And dreamed of all the coming days,
In the new junior high.

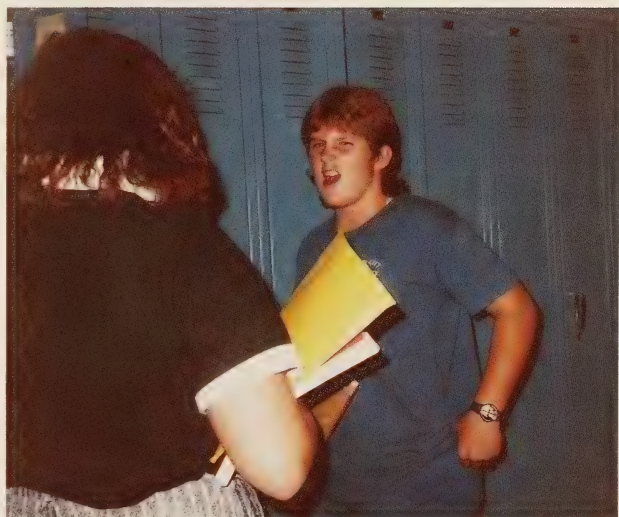

Now it's time later
As graduation draws near
We think of bittersweet memories
And remember yesteryear.

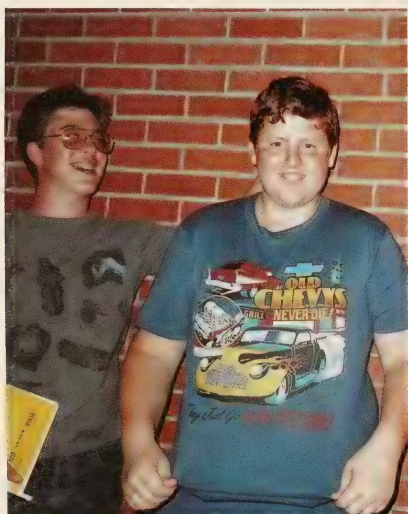

Remember the *hello's* and laughter
Talk over all our fears
Reflect on learning and sharing
Before the goodbye and tears.

BREAKING RECORDS

PACE may seem like just another class, but to the team members and coaches it is as exciting as any other sport. PACE challenges a person not only to gather knowledge, but to become a team member because PACE is a team effort.

PACE is an academic sport that challenges the mind. It's a lot like Jeopardy, but the team gets to familiarize themselves with the subject matter (and answers don't have to be "in the form of a question").

This year's team won the Scott county PACE Tournament and were undefeated country-wide. They finished second in the Wise County Invitational Tournament. Their overall record was 7-2.

Brain-power is as important as muscle-power, so next year when PACE season starts, come out and support another Gate City team!

BREAKING THE MOLD

Here we are, your humble newspaper staff. (SURPRISE!) We were actually given the privilege of appearing in the Gate City High School Annual. Of course it wouldn't be complete without us. Although the Out of the Blue news magazine had a rather rough beginning, we are now going ahead full steam and looking for new ways to improve. We've sweated, yelled, screamed, worked, pulled, glued, written, scrambled, leaped, cried, and have practically killed each other to bring you, our faithful readers and companions, a story worth reading. We ask you to bear with our ignorance and to continue to give us the support you have already blessed us with. Seriously folks, this year has been very memorable to many of us. We have pulled together as a team to produce something that we all believed in and have strived to achieve. We believe that this time in our life will reflect on later events and that if you pull together as a team and have faith in what you are doing, you will unite and can achieve anything.

We have grown closer through this year, which has gone by so fast, and have become a type of family. We are strange and different in many people's eyes, but isn't everyone? The "family" at the Out of the Blue would like to thank you for your support.

For those of you who think that we stole our name from (ugh) Debbie Gibson, please put your mind at rest and give us a little credit.

We bid you peace.

SIGNIFICANCE OF GOOD CITIZENS' PIN

Rim — 13 stars represent 13 colonies

Band of blue enamel identifies it with our Society.

Qualities of good character which we emphasize — Dependability, Service, Leadership, Patriotism are titles of four books in the center suggesting school days.

Circling these is the laurel wreath of Honor; behind them, the torch of understanding.

"Three's a crowd!"

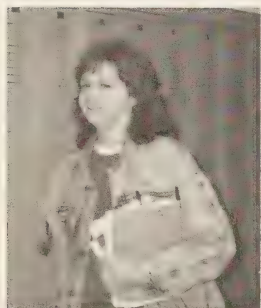

Gordon, Don't you know you're not supposed to eat trash?

"Just what do you think you're doing in here?"

"Should I hit the bus driver or the guy in the red jacket?"

"Take it and DIE!"

"I know it's here somewhere." (bottom left)

"Duh ... What year is it?"

SCOTT COUNTY SPIRIT

Pretty good for underclasswomen! These junior and sophomore ladies didn't win, but they sure showed support to their classes.

Not only did these young women win the flag-football game but helped lead the senior class to an overall victory of the 1988 Homecoming Spirit Contest!

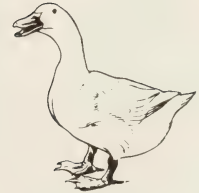

Melissa Lawson didn't do so bad in the 1988 Miss Scott County Pageant. Congratulations Missy! Sheila Strong also competed in this contest.

Gate City's finest join together — sharing the fun, sun, and excitement of Homecoming Week.

BREAKING TRADITION

The GCHS Big Band of Blue has broken away from tradition and is truly a band of the '80s. The band, under the direction of Mr. Jerry Templeton, boasts nearly one hundred members. Their field shows featured formations of hearts and mountains, special instrumentals, a country music solo, and a vocal duet accompanied by the entire band who sang in Swahilian. Gate City's band has participated in numerous competitions. They attended band day at VPI. The GCHS band played a vital part in supporting the school's football program.

Their music is upbeat, their enthusiasm contagious, and their spirit is unbreakable.

YOU'VE COME A LONG WAY BABY!!!!

Rebecca Coleman: "Go ahead pinch my cheeks."

Blu Castle: "Mommy look what I caught."

Amy Thacker: Hah! You never thought I'd be an editor.

Allison Hammonds: "Doggone! Where's mom when ya need her?"

Cherie McMillian: "Yeah I'm mad again."

Angel Fletcher: "Sure I'm an Angel."

Missy Lawson: "Bam Bam's girlfriend."

Becky Vermillion: "Don't squeeze the Charmin."

Christy McElroy: "Don't be a couch P-O-T-A-T-O!"

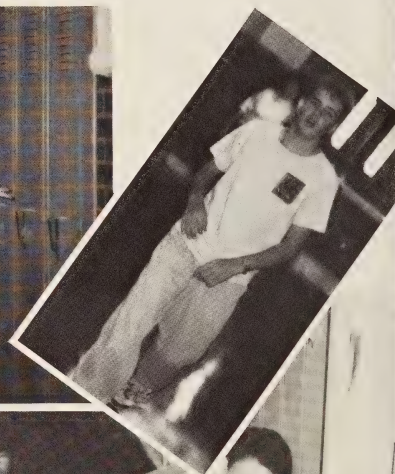

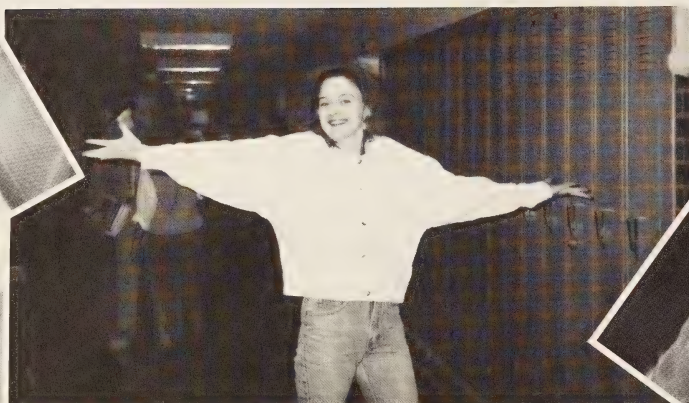

David Duncan: "Hey, Boo Boo!"

Brian Blevins: "Take me to your leader."

To produce an annual, it takes hours of phone calls, brainstorming, picture taking, drawing, and planning. (Really, that's not even the beginning). One thing that is required to execute any of the above is dedication. There is one person who comes to mind when I hear the word. She was always there to set the annual staff on the right track, to organize our jobs, and complete the work we couldn't seem to do. She took on jobs and duties she had no experience doing and did a miraculous job. We know a simple THANK YOU is not compensation for all the aggravation and overtime she has spent on the annual. If anyone has ever deserved a word of gratitude it is Rebecca Wining. So, Rebecca, thank you from each and every member of the annual staff. We all love you.

"I AM NOT THERE"

Do not stand at my grave and weep;
I am not there. I do not sleep.
I am a thousand sands that blow,
I am the diamond glints on snow,
I am the sunlight on ripened grain,
I am the gentle autumn's rain.

When you awaken in the morning's hush,
I am the swift uplifting rush
Of quiet birds in circled flight.
I am the soft stars that shine at night.
Do not stand at my grave and cry,
I am not there. I did not die.

Robert Hepburn

TIMOTHY MARK BISHOP

MARCH 17, 1970-APRIL 16, 1988

Everyday, many of our fellow students and friends talk about getting drunk. I am here to tell you that sometimes you don't sound as cool as you think you do. Over 51,000 teenagers have been killed in the past year by drinking and driving. Scarey number huh?

We, the SADD chapter of G.C.H.S. would like to make a change in the statistics.

To Amy and Rebecca

I wish to express my deep appreciation and gratitude for all of the hard work that you have done to make this book a success. I know that you had things that you wanted to do and sometimes things that you had to do, but still gave very willingly of yourself to meet the deadlines. You were very fortunate to have some very devoted people who helped you go that extra mile. Now that the final mile has arrived, you can sit back and relax and eagerly await the arrival of the great day.

It has indeed been a pleasure working with you. I wish you the very best in the future.

Sincerely,

Nancy K. Ward

When the last award has been given out, and the last speech of the evening has been delivered, the evening will draw to a close thus signifying the end of another school year.

Yet, as we all know, the end of each evening implies the beginning of a new day. What kind of a day will tomorrow bring -

Judging by what we have seen here this year, tomorrow will be a bright and fair day filled with hope, because the fine young people of Gate City High School will be a part of that tomorrow.

Scholarship, sportsmanship and commitment will sustain you in all the tomorrows to come .

Oscar Peters

As I lock the door of the annual staff room for the last time, I am locking precious memories into my heart. Memories of celebration, laughter, frustration, and hard work of dedicated people are brought to mind. There are many who need to be thanked for sharing these times with me.

Rebecca Winingar has been with me in this task since day one. It all started at Annual Staff Camp at UVA and she has been there for me ever since. Not only is she a loyal and dedicated worker, she is also a very helpful friend. Rebecca, a simple thank you will never be enough for what you've done. I know you and Brigitte will do a super job on next year's book. Best of luck to both of you; you both mean a lot to me and deserve the best. Thank you both for an excellent job!

To my study hall crew — thanks for everything. You guys have been great friends! When my spirits were run down, you lifted them up! Michelle, Debbie, Greg, Becky, Sheila, and Amy. Thanks for being such wonderful friends.

I owe sincere gratitude to every teacher. Each one has been very helpful. Thanks for being so understanding every time I interrupt class or ask for help. You've all been very generous. "Mr. Mac" — You know that I could never thank you enough for your love, guidance, and support. I'll always remember everything you've done for me.

A special thank you to Earnest Miller and Ralph Hensley for the use of their pictures.

To all of my staff and friends — I love you for putting up with me!

To all of my fellow seniors — Best of luck, and God bless.

I owe my sincere gratitude to Mrs. Ward! Her friendship has guided me through all of my endeavors. I will always treasure the opportunities that you created for me.

Sincerely,

Amy R. Thacker
